

There are hundreds of seniors in Barton County and Pawnee County living alone and dependent on local agencies for food, socialization, and basic human contact. This year United Way of Central Kansas will collect items for “Boxes of Love,” from community members, which will then be distributed through the Meals On Wheels, ElderCare Home Services and Golden Belt Home Health & Hospice.

*Help us brighten their day and warm their hearts by joining in.*

**Please help us by donating items for a “Box of Love” for a homebound senior citizen. Our volunteers will be delivering these boxes on and around Valentine’s Day!**
